Five in Local Family Injured

Five members of a Torrance family were injured when their car was hit by an automobile driven by an off-duty Coast-guardman, the California Highway Patrol reported.

Taken to Compton Community Medical Bldg. were William S. Sloper, 22, of 20702 S. Berondo St., Torrance, his wife, Patricia, 22, and their three daughters, Debra 3, Loren 2, and Cynthia, 1.

Sloper told officers he had just made a purchase at a roadside stand on Olive St. near Figueroa Ave. and had approached the right lane of Olive St. when his car was hit by an automobile driven by Gary D. Gardiner, 18, of 2222 4th Ave., San Pedro.

Tartar Teen Talk

Tomorrow is the big day most of us have been waiting for since the beginning of school—our first varsity football game—against Ventura in the Tartar Stadium. Kickoff is at 8 p.m.

A school assembly is set for tomorrow in the stadium stands and the entire student body will be on hand to personally meet the 1957 varsity football squad which will be introduced by Coaches Dick Turner and Irwin Kasten.

Today our Tartar Bees hook up with Compton at 2:45 on the latter's home field. Although having only two returning lettermen from last year's team, the Tarabees should win much respect from their Bay League opponents before the season is over with their team hustle, speed, and desire.

An after-game dance is also on tomorrow's list of school activities with the Varsity Club

sponsoring a "victory dance" at the Torrance National Guard Armory.

All this week the junior class has been selling "Crush the Cougars" lapel buttons (only a dime), building up school spirit and enthusiasm for the game tomorrow night.

Next Tuesday and Wednesday two different assemblies are scheduled for Tartar students. A Junior-Achievement Assembly is set for Tuesday, and the following day a science-demonstration will be staged for all THS science classes.

The school's varsity cross-country team also lifts the curtain on their season tomorrow with a triangular meet against Beverly Hills and Hawthorne.

This year the distance squad has an excellent chance to win the Bay League title which

Mira Costa has held for the past two seasons.

One of THS's top service clubs, the Tartar Knights, recently admitted five new members to the organization, raising the total to 24. Newly elected club President Jim Weyent made the formal announcement to the new mem-

bers via a letter last Tuesday. The Girls' League held a snow cone sale on campus last Thursday and Friday noons, selling over 600 cones to hungry THS students.

Our school newspaper, The TNT, is scheduled for its second issuance tomorrow.

We invite you to see our large selections of Small Appliances, Dinnerware, Garden Tools, Toys, Paints, Picnic Supplies and most anything you may need.
